Gulf of Maine Council on the Environment

Plan's Main Contact Information:

www.gulfofmaine.org

On-line version of plan:

www.gulfofmaine.org/library/spolibrary/action_plan.htm

Date of original plan:

1996

II. TECHNICAL INFORMATION

Plan includes restoration goals: Y

Level of detail of the goals:

G

Summary of the goals:

1) Protect and restore regionally significant coastal habitats, 2) restore shellfish habitats and 3) protect and restore fishery habitats and resources.

Plan recommends restoration of specific project sites:

N

Plan includes a discussion of funding sources:

N

Plan addresses long-term protection of restored sites:

Y

Partners included in developing the plan:

State
Local

Type(s) of public outreach included during plan development:

Information not available

Plan includes public outreach as part of plan implementation (e.g. annual public meeting, local group participation):

Y

Plan discusses the application of innovative approaches to restoration:

N

Plan make use of GIS mapping capabilities:

N

Plan addresses monitoring/reference sites for ecosystem level monitoring (baseline conditions) by:

G

Plan addresses monitoring/reference sites for project level monitoring by:

N

The plan discusses or coordinates with other restoration plans covering the same geographic area:

Y

Other plan names:

Gulf of Maine Action Plan 1991

Plan contains detailed information on historic and/or current habitat size, rate of loss, acres restored or protected, etc.):

N
